
TWO FOR THE PRICE OF ONE.

If you can find all Scoopic's features on another 16mm camera, you'll find something else as well. A price tag that's twice as high—or more.

Yet the Canon Scoopic 16MS gives you all the performance and dependability that made its predecessors the favorite of news and documentary cameramen worldwide. Plus greater built-in flexibility. And extra versatility, thanks to a number of new accessories.

It adds up to greater creative potential at substantial savings. Which means more accessories you can now afford; more to spend on film and processing; a larger budget for your next production... or another Canon Scoopic 16MS.
